

# BE SEATED!!!

Today we are launching a campaign to raise money to buy and install 250 fixed plastic tip-up seats in the stand to help preserve our **Ground Grading** status and provide improved comfort for our spectators.

What we are asking is for individuals, organisations and companies to **SPONSOR A SEAT**.

In return you will have the exclusive use of the seat, and recognition for your contribution on a "Sponsors Board" in the stand itself and on the Club's new website which is to be launched shortly. Your sponsorship does not include any ground admission charges.

To sign-up for this campaign simply complete the form below.
