

## **EAGLES 10 – HITCHIN PUMAS 0 - LEAGUE CUP MATCH**

Still riding high on the crest of their recent wins the Eagles started this match with the same dogged determination they had approached their previous games. Heads held high and with an air of steely resolution the game kicked off and within minutes Luca had scored the opener. Seconds later Logan cracked one in with an assist from Jack closely followed by two more from Luca with assists from Jack and Anthony making it a hat trick for him. The team's fifth goal came from a neat tuck in from Jack with an assist from Anthony. After half time the boys continued their torrent of goals with Luca and Kian pairing up for Luca's fourth and fifth. Jacob McCormack took the score to 8-0. Logan's goal came seconds later with a monumental run down the wing. Kian with an assist from Jack finished the game 10-0.

Despite not having the strongest of opposition the boys played an impressive game of passing football and when push comes to shove against stronger opponents this will stand them in good stead. Man of the match was Logan Downie.
